BOARD VISION STATEMENT

All people affected by someone else's drinking will find help and recovery in every community.

BOARD MISSION STATEMENT

Anticipate the future and Al-Anon's place in it and ensure that the necessary resources are available.

STRATEGIC PLAN PRIORITIES

Al-Anon's spiritual principles permeate our policies and practices; we apply emerging technology and communication options:

- **To increase the visibility of Al-Anon so that it is recognized as the number one resource throughout the world for helping friends and families of alcoholics.**
- **To empower the Al-Anon fellowship to be vibrant, inclusive and flexible.**
- **To achieve a viable future for Al-Anon Family Groups, the Board will be adaptive and strategic in its use of talents, skills and abilities.**

Dear Al-Anon members,

The purpose of this Chairperson of the Board letter is to share highlights from our July 2017 Board Week. You will also find updates from our Policy Chairperson, Finance update from our Treasurer and the Conference Leadership Team (CLT) update.

At the beginning of the 2017 World Service Conference (WSC), the Board of Trustees announced we were beginning the search for the next Executive Director. I am pleased to share that following a series of interviews, the last of which was held July 19th with the full Board, we are ready to make that announcement.

It is with great pleasure that the Board of Trustees, Al-Anon Family Groups, Inc. announces that on September 5th 2017, Vali F. will begin her tenure as our next Executive Director. Vali brings with her over 15 years as an active Al-Anon member.

She served as a Panel 53 Delegate from Arizona, Area Chair, Secretary and Treasurer. Additional Al-Anon service roles include AIS Chair and Alateen Coordinator. Vali also brings over 20 years of business experience including management of teams of staff throughout the world. Vali has a keen understanding of the world's ever-changing landscape and how those changes have and will continue to impact the growth and diversity of our fellowship. Vali fully embraces the continued need to find new ways to reach those whose lives have been affected by someone else's drinking.

Our current Executive Director, Mary G., has committed to working side-by-side with Vali beginning September 5th through the October Board meeting. This transition period will ensure that our new Executive Director, our World Service Office (WSO) staff and our fellowship as a whole experience a smooth transition.

As shared in the April 2017 Chairperson of the Board Letter, the Board believes this transition period is supported by the spiritual principles of our program by offering the sharing of our experience, strength and hope. We then let go and allow the new Executive Director the freedom to oversee the World Service Office in her own way as outlined in Concept Eleven.

We ask that you share the announcement of our next Executive Director with your fellow members. These are exciting times for our fellowship, filled with hope, enthusiasm and a continued commitment to ensuring that all people affected by someone else's drinking will find help and recovery in every community.

In addition to interviewing and selecting the next Executive Director, the Board took the following actions:

The 2018 World Service Conference will be held in West Harrison, New York. The site will allow the opportunity for the full Conference to visit Stepping Stones. The Conference Leadership Team (CLT) recommended and the Board and is pleased to announce the approval of the 2018 World Service Conference theme:

Al-Anon – There is no standing still!

Al-Anon – ¡No hay razón para detenerse!

Al-Anon – Il n'y a pas de place pour l'immobilisme!

Please refer to the CLT Update contained within this letter for additional information on how the theme was selected and a brief history of the origin.

The 2018 International Al-Anon General Services Meeting (IAGSM) will meet October 2018 in Virginia Beach. The purpose of the IAGSM is to share the experience of Al-Anon national services around the world through their Delegates. Delegates to the IAGSM encourage the growth of a sound service structure while maintaining worldwide unity through the application of our Traditions. Ultimately, this leads to the primary purpose of Al-Anon as a whole — to seek the best way to carry the Al-Anon message of

recovery to families and friends of alcoholics amidst cultural and language differences. The International Coordination Committee (ICC) holds the responsibility of planning the IAGSM agenda and bringing forward to the Board the suggested theme. During our July meeting, the Board enthusiastically approved the theme for the 2018 IAGSM:

“Leading by Example: Structures Supporting Structures”

The WSO Administrative Team joined the Board and Executive Committee members in a Strategic Planning session. The purpose of our joining together in our Strategic Planning sessions is to clarify the forward direction of the organization and the operations of the WSO and how we can appropriately connect. We discussed that the Board is the “what”—being responsible for the strategic direction, and that the staff is the “how”—being responsible for implementing the “what”. The Board and staff are committed to working together in discussing strategies. We believe it to be imperative to have staff in the room for our discussions. We are working from the belief that we support what we help to create.

Following our Strategic Planning session, the Board, Executive Committee members and staff participated in the second annual “Meet and Greet”. This is a continued opportunity to introduce staff, Board and Executive Committee members to one another. Concept Eleven reminds us that the WSO staff not only *supports* the world leadership of the Board, the staff *shares* world leadership with us. As is typical with any Al-Anon gathering, food and laughter were shared.

Staff was also invited to attend the annual Open Nominating Committee meeting. In years past, the Open Nominating Committee meeting was held in the evening and included a dinner. In an attempt to cut costs and offer the entire staff the opportunity to learn how Trustees and our Committee members are selected, this year’s meeting was held at the WSO and the entire staff was invited to attend.

In keeping with the Board’s legal and fiduciary responsibilities, the Board met with the two Financial Advisors for an in-person review of AFG, Inc.’s investments in the Reserve and General Funds.

Each Board meeting the Board and Executive Committee members hold a “Board Development” session. These discussions typically relate to the fiduciary and foresight responsibilities of the Board along with the Executive Committee. The July topic was related to our governance practices. We are working from the place that the Board is best equipped to lead when we are self-aware, function in constructive partnership with our Executive Director and staff and are committed to continually improving our performance. From our discussion came the realization that while our By-Laws have been updated to reflect changes as they have occurred, such as the amendment this past year to update the title of Director of Business Services to Director of Finance, the Board should also periodically review our By-Laws to ensure timely amendments when necessary. Our By-Laws formalize the Board’s structure and practices. The Board’s needs evolve over time, as do the external circumstances within which the Board functions. The outcome of our Board development discussion is the forming of a new

task force and thought force to review and update the AFG, Inc. By-Laws.

This year's "Road Trip! You and Your Board Connect" will be held Saturday, October 21st in Aurora, Colorado. You can make plans to attend by registering early as there are only 150 seats available. I believe you will find the site fresh and exciting and reflective of our world today, the needs of our fellowship, and those who have yet to find our help and hope. If you have not visited our new site, please take the time to visit and share your enthusiasm with our membership by encouraging a visit.

It's hard to believe, but by this time next year our 2018 International Convention will be a memory. How exciting it has been to receive emails from those of you planning to attend. Some are coming by train, car or plane. A number of Areas are in the midst of making plans to charter a bus to Baltimore! Registration information is being finalized and will be available on our Members' website and mailed directly to registered groups by mid-September. In addition to the International Convention, a "Day of Connecting" has been planned by the Board. The "Day of Connecting" will be held on Thursday, July 5th. We have planned a fun and inspiring day, one that you will want to include when planning your attendance at the 2018 International Convention. Keep your eyes open for further details regarding the opening of the online registration for our 2018 International Convention and “Day of Connecting.”

Two weeks following the posting of this letter, the Trustees will begin making contact with their assigned Delegate. The purpose of this contact is to serve as a resource for clarification or questions from this letter, if desired. If you prefer not to have the Trustee phone you, please let him/her know when the initial contact is made.

To aid the Board and staff in further planning for our 2018 International Convention, we are asking current Delegates to please share your response to the following question when your Trustee contacts you:

Describe ways in which you are encouraging or can encourage members in your Area to attend the 2018 International Convention and “Day of Connecting.”

On behalf of the Board of Trustees and our staff, thank you for your kind notes, emails and phone calls of support as we have taken the steps in finding our new Executive Director. I am once again reminded and humbled by the Board, our Executive Committee and the entire WSO staff in the continued commitment to ensuring that *all people affected by someone else’s drinking will find help and recovery in every community. And the course that has been laid to anticipate the future and Al-Anon’s place in it and ensure that the necessary resources are available.*

With continued gratitude and respect,

Debbie L. G.
