## **January 2018**

Dear AI-Anon and Alateen Members,

With the start of a new year, we welcome our new Panel 58 Delegates as members of our largest representative group conscience, the World Service Conference (WSC). The 2018 World Service Conference will be held this April in West Harrison, New York. A part of this year's Conference will include a return to the roots of AI-Anon's beginnings with a visit to Stepping Stones, the home of our Co-founder, Lois, and her husband, Bill Wilson. The Board, Executive Committee members, World Service Office (WSO) Staff and your fellow Delegates wish you every success along with the knowledge that we are here to support and encourage you on this new journey in service.

January Board Week began on Sunday, January 21<sup>st</sup> with a morning meeting of the International Coordination Committee (ICC). The ICC is finalizing plans for the 2018 International AI-Anon General Services Meeting (IAGSM) being held this October in Virginia Beach. This year's theme, "Leading by Example: Structures Supporting Structures" is the foundation for planned workshops and General Sessions and

demonstrates the primary purpose of the IAGSM. The Nominating Committee met Sunday afternoon; Finance and Executive Committees met on Monday; Policy Committee met on Tuesday morning; and the Conference Leadership Team (CLT) met on Tuesday afternoon. Updates from our Finance, Policy and CLT Chairs can be found at the end of this letter.

As part of the Board's ongoing commitment to self-evaluation and improvement, we met on Tuesday afternoon, along with the Executive Committee for a discussion related to characteristics of exceptional Boards. The purpose of this discussion was to build a benchmark of where the Board sees itself today and what steps we need to take related to making informed decisions, discussions of financial stewardship, succession planning for the Board itself along with strategic thinking and planning. The discussion will be continued at our April Special Board meeting and further topics and activities will be developed with the purpose of continuing to move the Board forward towards fulfilling our primary purpose.

Each January the Board of Trustees meets with Regional Trustee and Trustee at Large candidates. The Trustee "interview luncheons" were held on two days this year, with Trustee at Large candidates interviews on Wednesday and Regional Trustees on Thursday. The selection of Trustees is key to the future of our Board of Trustees as a whole, and ultimately the fellowship we have the privilege of serving. Throughout the selection process, we as a Board keep our minds and hearts opened to the collective understanding and guidance of our Higher Power. Each candidate shares a ten-minute talk, followed by lunch and roundtable interview panels. The Board is responsible for ensuring that the following, as noted on page 206 of the *2018-2021 Al-Anon/Alateen Service Manual* is upheld, "This [Nominating] Committee aids the Trustees in discharging their prime obligation to see that all vacancies within the Board of Trustees or its Executive Committees are filled with those of the greatest possible competence, stability, and industry."

**2018 World Service Conference:** is quickly approaching. All Conference members are encouraged to keep a watchful eye on AFG Connects for fast-approaching deadlines and need-to-know information.

In order to assist Conference members in future planning, the Conference Leadership Team (CLT) is providing dates and site locations for the 2019 and 2020 Conferences. Please refer to the CLT Update at the end of this letter for specific dates and locations.

**Trustee Visits:** As part of the Boards ongoing commitment and strategic goal of “*raising the fellowship's awareness of the Trustees' relationship to the Al-Anon groups and WSC, while articulating and expressing the ‘why’ of the Board's work*”, the Board reviewed our WSO (World Service Office) visits and contacts with Areas over the last several years. These visits were either through a TEAM event, Road Trip! You and Your Board Connect, or through a WSO Staff member or Trustee volunteer visit to the Area. In review of these contacts the Board realized we had not had an opportunity to connect, in person, with 14 Areas throughout the US and Canada. Because the Board believes communication is mutually beneficial, we have established contact with these 14 Areas and offered an opportunity for a member of the Board of Trustees to make a personal visit. The Trustee’s transportation, meals, and lodging will be financially supported through the WSO. Letters have been sent the respective Chairs and Delegates within all 14 Areas. The Board is looking forward to scheduling about six

Area visits in 2018 and updating you on where we will be visiting in the April COB Letter.

**2019 TEAM Events:** As in past practice, TEAM Events were not held this year in order to allow for the planning of our International Convention. TEAM Events will again be held in 2019. Areas can now begin making plans for submitting your 2019 TEAM requests. The Board and Staff are reviewing the current TEAM Event program. Any updates will be shared through AFG Connects and future COB Letters.

**Road Trip! You and Your Board Connect:** Mark your calendars for Saturday, October 20<sup>th</sup> when Texas East will host the 2018 Road Trip!

Location: Houston Marriott South at Hobby Airport. Flyers and registration information will be made available in the near future. Information related to hosting the 2019 Road Trip! You and Your Board Connect will be made available to Delegates during the 2018 WSC.

**Forum Articles — *Trustee Letters from the Heart*:** The Board sends our thanks and gratitude for those members who took the time to respond to the online survey requesting your input regarding the Trustee articles which appeared throughout the past year in *The Forum*. Your honest input will assist the Board in gaining a greater understanding of how the fellowship views the work, composition of and process involved in becoming a member of the Board of Trustees. We look forward to the continued opportunities to reach out to the fellowship and share of ourselves along with the work of the Board as a whole.

**Delegate Calls:** Two weeks following the posting of this letter, the Trustees will begin making contact with their assigned Delegate. The purpose of this contact is to serve as a resource for clarification or questions from this letter, if desired. If you prefer not to have the Trustee phone you, please let him/her know when the initial contact is made.

### **Define ways in which the Board of Trustees can support you in your role as Delegate?**

In closing, on behalf of the Board and the Staff of our WSO, thank you for the \$1,972,931 in contributions received in 2017 and literature sales of \$3,523,843 (based on unaudited financial statements). The 2017 contributions reflect our second highest year of contributions. Literature sales reflect an increase of \$186,192 from 2016. More importantly your contributions and literature sales reflect the resources necessary for our Staff to develop and provide the following new programs and services in 2017 and beyond:

- Completion of the newly designed al-anon.org website
- Completion of the newly designed Members link on the al-anon.org website
- Ability to hire and retain Staff versus the expense of outside consulting
- Completion of the new meeting search
- Ability to not only look to the future but the continued commitment to our primary purpose of reaching families and friends of alcoholics.

This past year has been one of change, some challenges but mostly gratitude beyond expression for the many ways in which we as members ensure that those affected by someone else's drinking continue to find help and hope in every community. Whether it is through the action of opening the meeting door, setting up chairs, chairing a meeting, answering phones, sitting with a newcomer or long-term member seeking hope, we are all part of the collective pieces that form our fellowship. I look forward to 2018 and the possibility of meeting you along the way.

With much gratitude and respect,

Debbie L. G.

Al-Anon Family Group Headquarters, Inc. Board of Trustees
