

AL-ANON FAMILY GROUP HEADQUARTERS, INC. 2018 AL-ANON MEMBERSHIP SURVEY SUMMARY

In 2018, 13,395 Al-Anon members participated in the WSO's twelfth study.

Specific objectives for the study were to:

- Determine the demographic and sociographic profile of Al-Anon Family Group members;
- Identify the relationship between members and alcoholics;
- Measure the impact that alcoholism has had on members' lives; and
- Determine the Al-Anon program's impact on the quality of life of its members.

The findings are an aid to professionals, researchers, students, the media and anyone seeking information about Al-Anon Family Groups.
