How Al-Anon Works for Families & Friends of Alcoholics (B-22), page 117
As our Seventh Tradition suggests, Al-Anon is a self-supporting fellowship. As individuals, we learn to take responsibility for our own words, thoughts, feelings, and actions. As members of our group, we do whatever it takes to assure that our group remains strong and vibrant. We are self-supporting when we give our group the time, talent, energy, and money it needs to help the families and friends of alcoholics. We don’t accept help from outside our fellowship, but we do reach out beyond our group to assure that “When anyone, anywhere, reaches out for help,” Al-Anon and Alateen will be there to provide it.

Our financial support provides the group with rent money for its meeting place, literature, information for newcomers, reimbursement or payment for the Group Representative’s expenses to the assembly and district meetings, and other group expenses.

Our monetary contributions also support the links of service, which ensure the continuity and accuracy of communication throughout our structure. Al-Anon Information Services respond to telephone calls, pay office expenses, and publish meeting lists. The group, district, and the Area Assembly pay rent for their meeting places, perform public outreach services, and send Group Representatives, District Representatives, and Area Coordinators to the district or Assembly meetings. Likewise, the Assembly pays the Delegate’s expenses to attend the annual World Service Conference, Al-Anon’s worldwide group conscience meeting.

The World Service Office maintains the toll-free meeting line and the Public Outreach and Members’ Web sites in English, French, and Spanish. The Members’ Web site offers free Public Outreach tools, the Conference Summary, Service Manual, financial information, and other items of interest. The WSO creates and distributes public service announcements, provides service tools, underwrites the cost of planning and supporting Regional Service Seminars, supplements the cost of the World Service Conference, and pays members’ expenses to participate in WSO committees.

“To think of Tradition Seven as a protection for my spiritual growth is humbling and freeing. … I now know that not only do I get to give my money and service, but I also get to receive miracles in abundance.”

Paths to Recovery—Al-Anon’s Steps, Traditions, and Concepts, pages 198-99

The Seventh Tradition is a vital way to carry out our primary purpose, as expressed in Tradition Five: “Each Al-Anon Family Group has but one purpose: to help families of alcoholics. …” Al-Anon is spiritually rich—our members are our abundant resource.
